

Regulacions

Welcome to Eco Area El Saler

- **Make yourself comfortable and enjoy your stay.**
- **If you need anything for your well-being, please inform us immediately!**

With the aim of achieving a harmonious coexistence and the well-being of all during your stay in Valencia, we ask you to respect the following practical rules:

Acceptance of Regulations:

Visitors to Eco Area El Saler, upon entering the area, accept the regulations governing the rental of the overnight parking space.

Instructions and Authority:

Instructions from the staff must be followed at all times. In order to maintain order and safety on the premises, the staff has the authority to expel those who do not comply with the rules.

Pernoctant Responsibility:

Each overnight guest is responsible for driving within the area, respecting a maximum speed of 10 km/h. Claims for damages against the operator will not be accepted.

Respect for the Environment:

Out of consideration for the environment and other visitors, it is not allowed to leave engines and/or generators running while parked.

It is strictly prohibited to use water from any outlet or from greywater disposal station to wash the motorhome.

Care of Facilities:

Area facilities and equipment must be treated with respect. The pitch must be left tidy and clean upon departure, with waste deposited exclusively in the designated containers.

No Open Fires:

Open fires are not allowed, but gas or electric barbecues can be used.

Pets:

Pet owners must ensure that their animals do not disturb other visitors. A dog park is available for their needs, and waste must be picked up and disposed of in the trash bins. Leashes are mandatory at all times, except in the dog park. Warning: Do not leave your pet locked in the motorhome when it's hot.

Respect for Night Rest:

We are located in a protected natural park, and night rest must be observed from 22:00 (23:00 from June to September) to 8:00.

Parental Responsibility:

Parents are responsible for their children and their safety. Please do not allow them to play in the field without supervision.

Commerce Prohibition:

Any type of commerce, sales offers, or exhibitions are not allowed in the area.

We hope you have a pleasant stay at Eco Area El Saler!
